

Peer to Peer Forum

A patient centered education event about the process of treatment and recovery from a lived experience perspective. Former patients of the Provincial Adult Tertiary & Specialized Eating Disorders Program will be sharing their stories as well as engaging the audience, composed of adults currently struggling with eating disorders, in discussion. Attendees may gain hope, motivation and information for decision-making as well as an understanding for how the process of recovery can occur from people who experience it themselves.

Topics to be addressed by the panel are:

- The process of each individual's recovery journey
- Their experience of the different levels of treatment
- Their experience of transitions after treatment
- Their experience of involving family and friends

Event will be broadcast via webinar for friends, family members and supporters of those struggling with an eating disorder as well as professionals who work with them.

Upcoming date: Wednesday January 31 2018 2-4pm

Location: St. Paul's Hospital - Cullen Family Lecture Theatre or via Webinar
